HEALTH GUARANTEE:

Your dog has a health guarantee for three years against congenital defects and disease . In the event of any genetic disorder which is sufficiently serious in the opinion of two qualified veterinarians, one of whom selected by the breeder, (we reserve the right to get a second opinion being the only decisive factor and we may require the return of the dog in question) , the breeder agrees to : upon proof of spaying, neutering or return of said dog , breeder will replace the dog with one of equivalent quality, with the same guarantee or pay the vet bills up to the purchase price of the dog or at the breeder's option, refund the original purchase price.

PURCHASER'S RESPONSIBILITIES:
